a. GENERAL CONDITIONS

The recipient covenants and agrees that it will expeditiously initiate and timely complete the project work for which assistance has been awarded under this agreement, in accordance with all applicable provisions of 40 CFR Chapter I, Subpart B. The recipient warrants, represents, and agrees that it, and its contractors, subcontractors, employees and representatives, will comply with: (1) all applicable provisions of 40 CFR Chapter I, Subchapter B, INCLUDING BUT NOT LIMITED TO the provisions of Appendix A to 40 CFP Part 30, and (2) any special conditions set forth in this assistance agreement or any assistance amendment pursuant to 40 CFR 30.425.

b. SPECIAL CONDITIONS:

(For cooperative agreements include identification or summarization of EPA responsibilities that reflect or contribute to substantial involvement.)

- 12. Special Condition No. 10 of the agreement refers to the advance match for the initial remedial measure only.
- 13. Ecology agrees to provide a revised final feasibility study workplan and a final revised budget by tasks of the RI/FS to EPA by March 21, 1986.
- 14. The State agrees to provide all funds identified as non-federal in Part III, Section A of the December 24, 1985 amendment to Cooperative Agreement No. V-000282-01-2. EPA will count the State's contribution toward the State's ultimate cost share at the Colbert Landfill NPL site or, upon reauthorization of CERCLA, the State may request reimbursement of these funds. Reimbursement by EPA is subject to availability of appropriated funds and verification of the allowability of the expenditures. Expenditure of these funds does not ensure that additional fund financed remedial actions will be implemented at this site.
